

Request

A lot of focus is now being placed on BAME and ESOL communities and I need to understand in more detail than the 2011 census data, the number of people in each of these classified areas for Bassetlaw. I only require high level data; numbers, ethnicity and a year on year comparison for the past 3 years for North Notts students with a Bassetlaw postcode if possible.

Allocated an FOI reference number after request had been actioned (initially sent to an RNN Group staff member)

Restricted to the following starting postcodes as highlighted on website <https://postcodebyaddress.co.uk/constituency/bassetlaw/E14000546>

'DN10', 'DN11', 'DN21', 'DN22', 'DN9', 'NG20', 'S80', 'S81'
