

RNN GROUP

www.rnngroup.co.uk

We are an education and training provider, meeting the needs of thousands of employers, adults and school leavers every year and contributing at the heart of our communities.

With an income of over £45m each year, the RNN Group includes three colleges of technical further and Higher Education and five training organisations. We educate school leavers, undergraduates, employees and those re-joining the workforce.

In total, we employ or engage over 1,250 staff to educate and train over 17,000 people each year, including over 3,000 apprentices.

We work at the centre of our local communities, contributing to civic life and economic renewal. Through events, volunteering and charitable efforts, we reach out to individuals and groups.

From our heartlands in the Sheffield City Region and the East Midlands, we help companies succeed and individuals learn their way to career security, fulfilment and happiness.

- We provide:**
- Training for businesses
 - Skills development
 - Courses and Apprenticeships
 - Degrees and higher-level courses

Our Colleges

Our Organisations

Within Our Group

We provide courses and Apprenticeships for school leavers and adults, from foundation learning to degrees and other Higher Education and skills courses.

Rotherham College has two campuses in Rotherham town centre and at Dinnington, providing a wide range of education to people across South Yorkshire.

North Notts College is located in Worksop and is a partner in the Retford Post-16 Centre. Some provision is also delivered at Idle Valley Nature Reserve, based in Retford.

Dearne Valley College is based in the heart of the Dearne Valley, serving the communities of Rotherham, Barnsley and Doncaster.

In all three of our Colleges, our students run a range of businesses open to the public, including salons, restaurants and retail outlets. We also work and contribute at the heart of our local communities through courses, events, volunteering and charitable work.

University Centre Rotherham (UCR) is our new campus dedicated to offering degrees locally and making Higher Education accessible to the people of Rotherham. Opening in autumn 2018, the £10.5 million campus will offer state-of-the-art teaching facilities on Doncaster Gate, in the heart of Rotherham town centre.

RNN Training is the employer-engagement section of the RNN Group, working in partnership with our Colleges to deliver intermediate, advanced, higher and degree Apprenticeships and training to employers and individuals across Yorkshire, the East Midlands and beyond.

The National Fluid Power Centre (NFPC) works with over 300 global businesses, delivering highly specialised training in the field of Integrated Systems Engineering (involving Hydraulics, Pneumatics, Electronics and Control) across the UK and internationally. It is approved by fourteen major international companies as their preferred training provider.

Create Skills deliver a range of both bespoke and accredited qualifications to employers and learners nationwide. Specialising in education, business support, health and safety and management, the company provides training and Apprenticeship programmes which deliver the highest quality teaching and learning and maximum return on investment.

Charnwood Training is a national provider delivering Apprenticeships and unique training, which can fuel business growth, to the hospitality industry across England, specialising particularly in the licensed hospitality sector.

Aston Recruitment and Training provides Apprenticeships and workforce development across the UK, supporting a wide range of sectors with specialisms including engineering, hairdressing, marketing, leadership and management.

The Idle Valley Rural Learning Centre is our stunning training centre for business and other disciplines in the heart of a nature reserve.

Day Nurseries
We operate two Day Nurseries, Bright Skies Day Nursery in Dinnington and Early Learners' Centre (ELC) in Worksop.

Children's Centres
RNN Group is part of the Nottinghamshire Children and Families Partnership, which oversees all of the Sure Start Children's Centres within Nottinghamshire.

The partnership also incorporates Nottinghamshire Health Care Trust and Family Action. Together the partners work to improve outcomes for young children and their families so they are happy, healthy and ready for lifelong learning.

Post-16 Centres
We are a key delivery partner in the Retford Post-16 Centre and work in partnership with the Worksop Post-16 Centre.

Our Students

We are the largest single provider of education to school leavers in an area bridging South Yorkshire and North Nottinghamshire. We deliver excellent career-focused training and Apprenticeships for young people each year, propelling them forward to employment or undergraduate courses.

We also offer education and training, including professional education and Apprenticeships, to adults seeking to gain qualifications and skills to find career fulfilment and prosperity. This also includes courses to help those entering the labour market with very low skill levels, language and confidence barriers or additional needs.

Our Employers

We value our partnerships with local industry and work with employers to find, develop and grow the workforce needed for their future.

We deliver training, Apprenticeships and recruitment solutions to help them deliver high quality products and services with increased productivity and market impact.

The RNN Group also works closely with Local Enterprise Partnerships (LEPs), organisations representing the business community, such as Rotherham Pioneers and the North Notts Envoys, trade bodies, local authorities and national government to contribute the best solutions to economic needs.

We are proud patrons of the Barnsley and Rotherham Chamber of Commerce, taking an active role in supporting the local business community to thrive and succeed.

Changing the Future of Rotherham

The RNN Group will open a new £10.5 million University Centre in Rotherham town centre on Doncaster Gate, near our Rotherham College town centre campus.

University Centre Rotherham (UCR) is planned to open in autumn 2018 and will offer state-of-the-art facilities and a wide variety of nationally recognised degree courses and Apprenticeships accredited by top universities and awarding bodies, including Sheffield Hallam University and the University of Hull, with plans for over 50 courses to be running at UCR by 2020.
