

# Adult Skills & Community Courses Guide

# Adult Community Courses

We develop and roll out courses with our local partners to ensure we are providing courses that suit the needs of our local communities.

Courses range from building self-esteem to improving creativity, British sign language to flower arranging, cookery to hand sewing and much more.

# Maths and English Support Including ESOL

English and maths skills are essential for work and everyday life.

Our adult courses focus on learning key English and maths skills which are used in real-world settings. Teaching is offered on a flexible part-time basis and you'll learn lifelong skills which helps increase confidence, enjoyment of learning and creativity.

Our English Speakers of Other Languages (ESOL) classes include students from all over the world and are taught in a friendly and relaxed setting.

## Distance Learning Opportunities

We also offer a number of courses digitally in areas such as counselling, business administration, equality and diversity, caring for children and young people, team leading, warehousing and understanding climate change and environmental awareness to name a few.
