

**Request:****Sent:** 13 February 2026 10:59**Subject:** FOI request on RNN Group's engagement with defence companies

To whom it may concern,

This is a formal request under the [Freedom of Information Act 2000](#), and as such you are **legally obligated** to respond as promptly as possible, and in no longer than 20 working days.

Please could you fill out [this form](#) and provide the requested information, relating to relationships between RNN Group and a few specific defence companies since 1st September 2022?

It's likely that your **careers advisor** and/or **Head of STEM** (Science, Technology, Engineering, Maths) will be able to provide the requested information. You might also want to **keyword or CTRL-F search the names** of the requested companies to assist you in finding this information.

Thank you very much for your assistance with this request.

## Freedom of Information Request

For each company the school has engaged with since 1 September 2022, please select the company from the drop-down list and answer the questions about the nature of the engagement.

We've categorised engagement into the following:

1. Relationships: such as formal partnerships or sponsorship agreements.
2. Events: such as workshops, assemblies, careers fairs, lessons, workshops, competitions, careers road shows, training events.
3. Careers Activities: such as advertising or coordinating work experience, training opportunities, or apprenticeships.

Formal relationships and start dates:

- **BAE Systems** BAE Systems PLC 15/06/21
- **Leonardo UK Ltd** 20/11/25
- **Moog Industrial Group** 27/01/17
- **Saab Seaeye Ltd** 24/11/16
- **Thales** –Thales UK Limited 30/06/22
- **NIIT** is a customer of NFPC NIIT Ltd 22/12/23
- **Devonport Dockland** is a customer of NFPC 17/01/23

***A covering letter has not been provided, as the required information was supplied via a link included in the request email.***
