2. Student information / student records system
3. Finance / ERP system
4. HR and payroll system
5. Student recruitment / admissions CRM
6. Online examination or proctoring platform

I would be grateful for the letter of award or award notice and the signed contract, including any variations or extensions. An extract from your contracts register is welcome instead, provided it shows: the product and supplier, including any reseller; the date of the original award and of any renewal; the contract start and end dates and any extension options; the contract value; and whether the contract covers the whole institution or a particular faculty or unit.
