3. KEY RESPONSIBILITIES

- The Assistant Principal – Quality & Learner Experience is the senior leadership team member with overall responsibility for complaints and reports to the senior leadership team and governors.
- The Head of Quality & Learner Experience oversees the operational aspects, provides reports to the Assistant Principal – Quality & Learner Experience, supports the Senior Quality & Learner Experience Co-ordinator with complaints management and supports managers with guidance on investigations and responses.
- The Senior Quality & Learner Experience Co-ordinator manages the central Complaints tracker, receives, logs and forwards complaints to an Investigating Officer (who is usually a manager), supports with investigations, responses and data analysis.
- The Investigating Officer's role is to establish the essential facts of the matter by collating any evidence that supports or contradicts the allegation. The Investigation Officer completes an Investigation Report and drafts a letter of response and emails these to complaints@rnngroup.co.uk for standardisation and issue by the Senior Quality & Learner Experience Co-ordinator.
- Human Resources (a Senior Partner) is consulted for any staff conduct issue and assigns a designated member of Human Resources to support the Investigating Officer.
- A Health & Safety Officer may be involved in any complaint where there is a health and safety concern.
- A Safeguarding Officer will be involved if a Safeguarding concern is raised.
- The Director of Higher Education will receive, manage and respond to any HE complaints.
- A senior leadership team member will chair an Appeals Board consisting of an independent manager and a scribe.

4. PRINCIPLES

- 4.1 This policy is designed to support and improve the RNN Group offer. The RNN Group values feedback, both good and bad, and sees this as vital to understanding the necessary information required to improve its services and celebrate successes.
- 4.2 Feedback is defined as any comment provided about the service or experience of learners, employers, parents/carers/guardians or other stakeholders of the RNN Group, which is used as a basis for recognising good practice or making improvements. Feedback can be provided verbally to any member of staff or formally, in writing to the Quality & Learner Experience Team by emailing: learnerexperience@rnngroup.ac.uk

On receipt of feedback we will:

- Thank you for taking the time to provide feedback
- Pass on any compliments to individual staff members and their manager and ensure the good work of staff is recognised
- Share best practice to continue to improve services across the Group
- Investigate any suggestions as to how improvements can be made and where possible and appropriate, act quickly to implement these

- 4.3 A complaint is defined as a statement that services of the RNN Group are unsatisfactory or that action, or lack of action, taken by the RNN Group is unacceptable.

On receipt of a complaint we will:

- Endeavour to listen carefully to any and all concerns raised within a reasonable amount of time
- Respect privacy if requested
- Operate fairly and sensitively
- Maintain accurate and detailed records and keep all parties updated as to the progress of the matter being dealt with
- Take action where appropriate
- Ensure no learner or staff member is disadvantaged or discriminated against having made a complaint

----------------------------------	--	---

- 4.4 Complaints may be submitted to the RNN Group in person or over the telephone (a written statement will be taken by a member of staff), in writing to the Quality & Learner Experience Team or via email to complaints@rnngroup.co.uk. Complaints addressed to the Principal or other staff will be forwarded to the Senior Quality & Learner Experience for processing. Complaint forms can be downloaded from any RNN college or RNN Group website or collected from Student Services or from any college reception. Complaint forms can be provided in alternative formats upon request – please contact the Quality Team or speak to a member of staff, outlining your requirements.
- 4.5 This policy covers all learners for a period of up to 3 calendar months from the last day of required attendance or from being informed of the qualification received. The RNN Group will take reasonable steps to resolve all concerns as quickly as possible.

5. INFORMAL COMPLAINT HANDLING

- 5.1 In the first instance, the RNN Group will endeavour to resolve complaints informally with the objective of achieving an early and satisfactory resolution. Where this is not possible due to an early resolution not being achieved, where the complainant refuses to engage with the informal handling of the complaint, or where the seriousness or complexity of the complaint deems it most appropriate to be dealt with formally, the complainant will be informed of this and advised of the formal complaints handling procedure.
- 5.2 When raising a concern, the RNN Group asks that you are prepared to:
- Inform us as quickly as possible of any requirements you may have to help you in raising a concern
 - Describe reasonably and fairly the details of the issue or concern you have
 - Explain any actions you have taken to deal with this
 - Allow us reasonable time to investigate the issue and follow the procedure outlined in this policy
 - Understand that some things are outside of the control of the RNN Group
- 5.3 When handling informal complaints, the RNN Group will:
- Ask you to speak directly to the member of staff involved (this may include Tutors, Assessors, Team Leaders or Managers) within 20 days of the concern arising.
 - Where it is not possible to speak to the person directly involved, you should contact any member of staff or the Students Union (see Student Services for more information about the Student Union)
 - If the concern is regarding college services, you should request contact details of the relevant Head of Department from reception or Student Services
 - If you are unsure of who to contact, please contact the Senior Quality & Learner Experience Co-ordinator who can advise you of the best route to progress your concern or complaint
 - Staff will aim to resolve your issue within 10 working days or update you on progress

6. FORMAL COMPLAINTS HANDLING

- 6.1 Where concerns have not been successfully resolved in the informal stage, or where it is deemed appropriate for them to immediately enter the formal stage. Formal complaints developing from the informal stage must be made within 20 working days of the informal stage being exhausted. The RNN Group will:
- Acknowledge your complaint within 2 working days and provide a copy of the complaints policy and/or form if requested.
 - Ask you to outline in full, all details of your concern or complaint, any action you have taken thus far to deal with it and what your preferred outcome to the complaint is
 - Ask that you give us permission to investigate the issue, including providing any evidence required and allow us to collect statements from all parties involved (where necessary)
 - Inform you of the investigation start date
 - Provide a written outcome letter, within 10 working days of the start date, and inform you of the appeals' process, including contact details for relevant funding organisations, awarding organisations and Ofsted, should you be unsatisfied with the outcome
- 6.2 To ensure fairness and objectivity, an independent investigating officer will be assigned to

The Investigating Officer completes an Investigation Report and drafts the investigation outcome response which will include all the findings. The response will be issued to the complainant within 10 working days of the investigation start date. Complaints' records will be retained by the Quality & Learner Experience Team for up to 6 years.

 - There is evidence that the facts stated were not investigated
 - The findings are inconsistent with the outcome
- 7.2 When making an appeal, the complainant should notify the Quality & Learner Experience Team of their intention to appeal (complaints@rnngroup.co.uk). The RNN Group will acknowledge the appeal within 3 working days and ask that complainant provide the reasons they are unhappy with the outcome provided, the grounds for their appeal and what they feel the preferred outcome should be.
- 7.3 On receipt of an appeal, the RNN Group Complaints' Appeal Board will review any evidence provided by the complainant and the Investigating Officer, including the investigation notes. The RNN Group Appeals Board will consist of a minimum of 2 staff comprised of:
- One member of SLT
 - One independent manager
 - A scribe
- The complainant will be informed of the date and time of the Appeals board should they wish to attend.
- 7.4 Based on the findings of the Appeals Board, the appeal will either be upheld or dismissed. The appeals response is final and concludes the RNN Group complaints procedure.
